“Homestudy Course #3– Cardiology Basics ©”

Author: Rebecca Stephenson, RN, CPC, CPC-H

2 CEU's

\$49.99

Approved for CEU's by the American Academy of Professional Coders

Cardiology Basics is the perfect opportunity to learn about basic cardiology (EKG, stress testing) to more complicated invasive procedures (PTCA's and stents). A cardiac nurse coder authored this course. The learner is walked through basic cardiac anatomy, the explanation of the procedure and the coding of the procedure. You have until September 30, 2009 to complete this course. This course is listed under “A Coder's Review” on the AAPC Vendor list. It is approved for Type A CEU's and Cardiology Specialty Certification CEU's
